14 March 2016

To all Shareholders:

Dear Shareholder,

Notice of Annual General Meeting and recommendation to vote in favour of the Resolutions

I am writing to give you details of the business proposed to be considered at the Company's forthcoming Annual General Meeting ("AGM") to be held at 29th Floor, 20 Fenchurch Street, London EC3M 3BY on 4 May 2016 commencing at 2.00pm UK time. The notice convening the AGM is set out on pages 6-7 of this document.

Proposed Business of the AGM

1. Accounts and Auditors (Resolutions 1, 2, 3 and 4)

Resolutions are proposed to receive the Company's audited consolidated financial statements and to approve the Annual Report on Remuneration, which are contained in the 2015 Annual Report and Accounts (**Resolutions 1 and 2**), to re-appoint the Company's auditors (**Resolution 3**), and to authorise the Company's board of directors (the "**Board**") to set the auditors' remuneration (**Resolution 4**).

Resolution 2 seeks Shareholders' approval for the Annual Report on Remuneration as set out in the second part of the Directors' Remuneration Report, on pages 71 to 88 of the 2015 Annual Report and Accounts. The Directors' Remuneration Policy, which describes the Company's remuneration policy for 2014 and the following two years, was approved by a binding Shareholder vote at the annual general meeting held on 30 April 2014.

The Company's auditors, Ernst & Young LLP, have audited those parts of the Directors' Remuneration Report required to be audited and their report may be found on pages 96 to 101 of the 2015 Annual Report and Accounts.

2. Re-election of Directors (Resolutions 5, 6, 7, 8, 9, 10 and 11)

The UK Corporate Governance Code (the "**Code**") recommends that all Directors of FTSE 350 companies should be subject to annual re-election by shareholders. Accordingly, all the Directors of the Company (apart from me, as in accordance with the announcement made on 18 February 2016, I will retire from the Board at the conclusion of the AGM) are submitting themselves for re-election at the AGM. In the Board's view, each Director continues to make an effective contribution to the deliberations of the Board and to demonstrate commitment to their role. This view is supported by my own review of their performance following our triennial externally facilitated evaluation of the Board.

Further information about the performance evaluation process and the Directors, including their biographies, is set out in the accompanying 2015 Annual Report and Accounts.

The Board considers all the Non-Executive Directors to be independent within the meaning of the Code.

3. Renewal of general and unconditional authority to allot shares (Resolution 12)

Pursuant to Bye-law 2.4 of the Company's Bye-laws, the Board is seeking Shareholders' approval to renew the general and unconditional authority granted to the Directors to allot Relevant Securities (as defined in Bye-law 2.4(b)) up to an aggregate nominal value of US\$33,556,986, an amount equal to approximately one-third of the issued Common Share capital of the Company as at the date of this document. The Directors of the Company have no present intention of issuing any Relevant Securities pursuant to this authority, but believe it to be in the best interests of the Company for the Board to be granted this authority to take advantage of appropriate opportunities.

The authority granted by this resolution will be exercised only if the Directors of the Company believe that to do so would be in the best interests of the Company. Unless otherwise renewed or revoked by the Shareholders in general meeting, this authority will expire at the conclusion of the annual general meeting of the Company in 2017 or, if earlier, 15 months from the date the relevant resolution is passed.

4. Renewal of authority to allot shares for cash on a non pre-emptive basis (Resolution 14)

Pursuant to Bye-law 2.6 of the Company's Bye-laws, the Board is seeking Shareholders' authorisation for the Directors of the Company to allot Equity Securities (as defined in Bye-law 2.5(g)) up to an aggregate nominal value of US\$15,100,644 on a non pre-emptive basis, such amount being approximately 15 per cent of the Company's issued share capital as at the date of this document. The Bye-laws of the Company require that, unless Shareholders resolve otherwise, any Equity Securities allotted for cash must be offered to existing holders of Relevant Shares, Relevant Employee Shares and Relevant Warrant Shares (each as defined in Bye-law 2.5(g)) pro rata to their existing shareholdings. The Bye-laws permit this requirement to be disapplied and the purpose of this resolution is to authorise the Board to allot Equity Securities as if such provisions did not apply in certain circumstances, when the Board considers that to do so would be in the best interests of the Company.

The Board acknowledges that the amount of the pre-emption disapplication for which authority is requested is above the 5 per cent level that is considered routine by UK investors and investor groups. In seeking this authorisation, the Board's resolve has been strengthened over a number of years through its extensive engagement with the Company's Shareholders, to whom we have explained the need to maintain competitiveness in the face of changing market circumstances.

In the last few years a similar resolution has been overwhelmingly supported by the Company's Shareholders: in 2011, a Special Resolution requesting authority at 10 per cent was approved on 18 August 2011 by 95.62 per cent of the votes cast, and at the annual general meeting held on 3 May 2012 a similar resolution was approved by 94.74 per cent of the votes cast. At the annual general meeting held on 1 May 2013 a Special Resolution requesting authority at the 15 per cent level was approved by 96.46 per cent of the votes cast, and at the annual general meeting held on 30 April 2014 a similar resolution was approved by 95.34 per cent of the votes cast. At the annual general meeting held on 29 April 2015 a similar resolution was approved by 95.97 per cent of the votes cast.

The strategic business case is described in more detail below. In the Board's view it wholly justifies the larger pre-emption disapplication, in line with the principles published by the UK Pre-emption Group, which are supported by UK investor groups.

As a Company, we seek to be nimble in our capital management strategy, returning our Shareholders' capital to them when we do not need it for underwriting purposes. The Board believes strongly that the converse of this strategy is that the Company should have the flexibility to raise capital quickly if the need ever arises, particularly with the influx of third party capital to the sector, in structures that allow it to be put to use at very short notice. At current share prices (calculated during the period immediately prior to the printing of this document), the proposed authority would enable the Company to raise approximately US\$231 million. The Company does not expect to utilize this authority as a response to normal loss events. Rather, this authority will be utilized to respond to a significant 'market moving' loss event, for example, an industry loss in excess of Hurricane Katrina. Shareholders will note the peak zone elemental loss exposures of the Company as at the end of 2015, set out at page 115 of the 2015 Annual Report and Accounts. The request for the 15 per cent authority at the current share price (calculated during the period immediately prior to the printing of this document) would enable the Company to replenish the vast majority of the capital exposed under its maximum one in one hundred peak loss exposure for a Non-Gulf of Mexico – U.S. Hurricane loss, which as at 31 December 2015 stood at US\$236.2 million.

The Company operates in a market that rewards the fastest to react; those who can play a role in benchmarking an adjusted pricing regime, as well as meeting brokers' needs for immediate capacity. In this way, first movers make the new market. The Board is recommending that, as in previous years, Shareholders vote for this first mover advantage. Your support for Resolution 14 will help give the Company greater competitive parity with its insurance company peers, particularly those of its competitors operating in the Bermuda and U.S. markets, as well as providers of and vehicles for third-party capital.

However, the Board has no immediate intention to use this authority. If as a result of a major market loss current capital levels are reduced, the Board considers that it is important to provide the Company with immediate access to a full range of financing options both from a risk management perspective and to reinforce the Company's strategy of managing capital actively and prudently.

The Company's active capital management strategy continues to be demonstrated by the special dividend declared in November 2015 for the 2015 year of US\$0.95 per share.

Unless otherwise renewed or revoked by the Shareholders in general meeting, this authority will expire at the conclusion of the annual general meeting of the Company in 2017 or, if earlier, 15 months from the date the relevant resolution is passed.

5. Resolution to authorise the Company to purchase its own shares (Resolution 15)

The Board is seeking Shareholders' approval to renew the authority granted to the Company by the Shareholders at the annual general meeting held on 29 April 2015. Pursuant to such authority, the Company is generally and unconditionally authorised to make one or more market purchases of the issued Common Shares of the Company up to an aggregate nominal value of US\$10,067,096, an amount equal to approximately 10 per cent of the issued Common Share capital of the Company as at the date of this document, at a price of not less than the nominal value of the Common Shares (exclusive of expenses payable by the Company).

The maximum price per Common Share (exclusive of expenses payable by the Company) that may be paid under the authority shall not exceed the higher of: (i) 5 per cent above the average of the closing middle market quotations of the Company's Common Shares derived from the London Stock Exchange Daily Official List for the 5 business days before the purchase is made; and (ii) an amount equal to the higher of the price of the last independent trade and the highest current independent bid for the Common Shares on the London Stock Exchange at the time of purchase. Purchases may otherwise be made in such manner and on such terms as the Board or any authorised committee may from time to time determine. Purchases would only be made if the effect would be expected to improve earnings per share and the Board considers that it would be in the best interests of the Company to do so. Pursuant to the Bye-laws of the Company, no purchase can be made if the Board determines that it would result in a non-de minimis adverse tax, legal or regulatory consequence to the Company, any of its subsidiaries or any holder of shares or its affiliates.

The Company cannot by law (in respect of the par value of the shares to be purchased) purchase its own shares except out of:

- (a) the capital paid up thereon; or
- (b) the funds of the Company which would otherwise be available for dividend payment or distribution; or
- (c) the proceeds of a fresh issue of shares made for the purpose of the repurchase, and

the premium if any payable on the repurchase is provided out of the funds of the Company which would otherwise be available for dividend payment or distribution or out of the Company's share premium account before the repurchase date.

Unless otherwise renewed or revoked by the Shareholders in general meeting, this authority will expire on the conclusion of the annual general meeting of the Company in 2017 or, if earlier, 15 months from the date the relevant resolution is passed.

This resolution complies with the current guidance issued by The Investment Association and the Board will have regard to any guidance issued by The Investment Association that may be published at the time of any such purchase of issued Common Shares of the Company.

Any shares repurchased by the Company will be cancelled or held as treasury shares.

6. Resolution to amend the Company's Bye-laws (Resolution 13)

Pursuant to Bye-law 88.1 of the Company's Bye-laws, the Board is seeking Shareholders' approval to amend the Company's Bye-laws. There are two changes proposed.

- (a) It is proposed to insert a new Bye-law 18.5 in Bye-law 18, to provide the Board with the discretion to cancel or defer a dividend or distribution in circumstances where this may be necessary or appropriate to comply with any applicable law or regulation or to meet any applicable capital or solvency requirement.

The new EU prudential regulatory regime for insurers (known as "Solvency II") applied to the Company with effect from 1 January 2016. In order for the Company's Common Shares to be counted towards the capital and solvency requirements of the new regime, any dividends declared by the Company (and other distributions) must be capable of being cancelled or deferred at any time before payment if the relevant capital or solvency requirements have been breached or payment of the dividend (or other distribution) would lead to such a breach.

To provide the Board with sufficient flexibility for the Company to comply with the new regime, the circumstances in which a dividend (or other distribution) may be cancelled or deferred have been drafted widely. The Board will exercise this power in line with their duties to the Company. They do not expect to cancel or defer a dividend (or other distribution) except where they believe that it may be necessary or appropriate to do so because of the applicable legal, regulatory, capital or solvency requirements.

- (b) During 2015 the remaining warrants to purchase the Company's Common Shares (that were issued on 16 December 2005) were exercised and there are no more warrants over Common Shares in issue. Accordingly, it is proposed to amend the Bye-laws to remove references to "Warrant Certificates", "Warrant Holders", "Warrant Shares" and "Relevant Warrant Shares".

A draft of the Bye-laws, including the proposed amendments, is available on the Company's website at www.lancashiregroup.com

Voting

A Form of Proxy for use by Shareholders at the AGM is enclosed with this document. Whether or not you propose to attend the AGM, you are urged to complete and sign the Form of Proxy in accordance with the instructions printed thereon and to return it to the Company's Registrars, Capita Asset Services, PXS1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF, as soon as possible and in any event so as to be received no later than 2.00pm UK time on 2 May 2016 (being 48 hours before the time appointed for the holding of the AGM). The return of a completed Form of Proxy or the submission by CREST members of an electronic proxy appointment will not preclude you from attending the AGM and voting in person, should you so wish.

Holders of Depository Interests in the Company wishing to instruct Capita IRG Trustees Limited, the Depository, to vote in respect of the holder's interest should use the enclosed Form of Direction. The completed Form of Direction must be received by Capita Asset Services, PXS1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF, as soon as possible and in any event so as to be received no later than 2.00pm UK time on 1 May 2016 (being 72 hours before the time appointed for the holding of the AGM).

Record Date

Only Shareholders entered on the register of members of the Company at 5.00pm UK time on 1 April 2016 shall be entitled to attend and vote at the AGM in respect of the number of Common Shares registered in their name at that time. Changes to entries on the register of members after 5.00pm UK time on 1 April 2016 shall be disregarded in determining the rights of any person to attend or vote at the meeting. The length of time between the record date and the AGM is necessary to allow sufficient time to complete the voting cut-back calculations as required by Bye-laws 40 and 41 (inclusive) of the Bye-laws of the Company.

Recommendation

The Directors believe that the resolutions to be proposed at the AGM and set out in the notice convening the AGM are in the best interests of the Company and its Shareholders as a whole, for the reasons stated. Accordingly, the Board recommends Shareholders to vote in favour of all resolutions to be proposed at the AGM. Each Director who holds Common Shares in the Company intends to vote in favour of all the resolutions in respect of his or her own shareholding.

Yours faithfully,

Martin Thomas
Chairman

Lancashire Holdings Limited

Completion and return of a Form of Proxy (or submission of proxy instructions electronically) will not preclude a Shareholder from attending the meeting and voting in person.
- (iv) CREST members who wish to vote using the CREST electronic proxy voting service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider should refer to their CREST sponsors or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Company's agent, Capita Asset Services (CREST Participant ID: **RA10**), no later than 48 hours before the time appointed for the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsor or voting service provider should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsor or voting service provider are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

- (v) Any holders of Depository Interests in the Company who do not lodge their voting instructions via the CREST Electronic Proxy Appointment Service may submit the enclosed Form of Direction together with the power of attorney or other authority (if any) under which it is signed, or a notarially or otherwise certified copy of such power or authority, to Capita Asset Services, PXS1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF not later than 72 hours before the time appointed for the holding of the Annual General Meeting.
- (vi) As at 10 March 2016, being the latest practicable business day prior to the publication of this notice, the Company's issued share capital consisted of 201,341,918 Common Shares of \$0.50 each of which 1,841,526 Common Shares were held in treasury. Therefore, total exercisable voting rights in the Company as at 10 March 2016 was 199,500,392.
- (vii) Copies of the letters of appointment of the Non-Executive Directors are available for inspection during normal business hours at the Company's registered office and at Lancashire's head office, 29th Floor, 20 Fenchurch Street, London EC3M 3BY and at the place of the AGM for 15 minutes prior to the meeting and during the meeting.
