### Results of AGM

Lancashire Holdings Limited (the "Company") is pleased to announce the voting results for the Annual General Meeting ("AGM") of shareholders held at its London offices on Wednesday 29 April 2015. The meeting considered the fifteen resolutions as set out in the AGM Notice dated 18 March 2015; all resolutions considered were duly passed and approved by shareholders casting their votes.

The Board was especially pleased that, once again by an overwhelming majority of 95.96%, shareholders have given the Company approval to issue up to 15% of its share capital on a non pre-emptive basis.

The Board has noted the level of abstentions and the significant number of votes against the remuneration report at the AGM. Resolution 2 received 70.28% of votes for and 29.71% of votes against the resolution, with 8,472,313 of shares abstaining. Lancashire consulted with its major shareholders particularly on the topic of its remuneration policy and practice in advance of the 2015 AGM. The Board understands that the principal concern of shareholders was in relation to the exercise by the Board of discretion when settling the retirement remuneration package for Richard Brindle. The Board considered that the retirement arrangements for Richard Brindle were an appropriate reward for Mr Brindle's unique contribution to Lancashire as a founder and chief executive and were also appropriate to secure an orderly and successful transition. These were necessarily unique circumstances and we will continue to engage with shareholders.

Copies of the resolutions passed as Special Business will be submitted to the National Storage Mechanism and available for inspection at [www.hemscott.com/nsm.do](http://www.hemscott.com/nsm.do)

Further details of the AGM results will be available shortly on the Company's website [www.lancashiregroup.com](http://www.lancashiregroup.com).
