To Shareholders and for information only to holders of depository interests:

Dear Shareholder,

Annual General Meeting

The notice for the Annual General Meeting ("AGM") of the Company to be held at Power House, 7 Par-la-Ville Road, Hamilton HM 11, Bermuda on 4 May 2010 at 1pm (Bermuda time) is set out on page 4 ("Notice of AGM").

Proposed Business of the AGM

1. Accounts and Auditors (Resolutions 1, 2, 3 and 4)

Resolutions are proposed to receive and consider the Company's audited consolidated financial statements and to approve the Directors' Remuneration Report for the year ended 31 December 2009 which are contained in the Annual Report and Accounts (**Resolutions 1 and 2**), to reappoint the Company's auditors (**Resolution 3**) and to authorise the Company's board of directors ("Board") to establish the level of auditors' remuneration (**Resolution 4**).

2. Re-election of Directors (Resolutions 5, 6, 7 and 8)

As provided in the Company's Bye-laws, one-third of the Directors shall retire by rotation at each AGM. The Directors eligible for re-election are those who have been longest in office since their appointment or last re-election. Jens Juul and John Bishop were appointed by the Board as Directors of the Company on 16 November 2007 and 19 March 2008, respectively. Martin Thomas and Neil McConachie were re-appointed at the 2007 AGM held on 1 May 2007 to hold office until 2010. Accordingly Jens Juul, John Bishop, Martin Thomas and Neil McConachie will be submitting themselves for re-election. The Board having conducted a formal performance evaluation is satisfied with the continued satisfactory performance of each of John Bishop, Jens Juul, Martin Thomas and Neil McConachie who are Directors of the Company and proposes their re-election for a further three year term of office until the Company's 2013 AGM. Further information about the performance evaluation process and John Bishop, Jens Juul, Martin Thomas and Neil McConachie is set out in the accompanying 2009 Annual Report and Accounts (**Resolutions 5, 6, 7 and 8**).

3. Grant of general and unconditional authority to allot shares (Resolution 9)

Pursuant to Bye-law 2.4 of the Company's Bye-laws, the Board is seeking Shareholders' approval proposed to grant the Directors a general and unconditional authority to allot and issue unissued common share capital up to an aggregate nominal value of \$30,417,177, an amount equal to approximately one-third of the issued common share capital of the Company as at the date of this document. The Directors of the Company have no present intention of issuing any of the authorised but unissued common share capital of the Company pursuant to this authority, but believe it to be in the best interests of the Company for the Board to be granted this authority to take advantage of appropriate opportunities.

The authority granted by this resolution will be exercised only if the Directors of the Company believe that to do so would be in the best interests of the Company. Unless otherwise renewed or revoked in a general meeting this authority will expire at the conclusion of the AGM of the Company in 2011 or, if earlier, 15 months from the date the relevant resolution is passed.

4. Grant of authority to allot shares for cash on a non pre-emptive basis (Resolution 10)

Pursuant to Bye-law 2.6 of the Company's Bye-laws, the Board is seeking Shareholders' approval to grant authority for the Directors of the Company to allot and issue Common Shares up to an aggregate nominal value of \$9,125,153 on a non pre-emptive basis, such amount being approximately 10 per cent of the Company's issued share capital as at the date of this document. The Bye-laws of the Company require that, unless Shareholders resolve otherwise, any Equity Securities (as defined in Bye-law 2.5(g)) allotted for cash must be offered to existing Equity Shareholders pro-rata to their existing shareholdings. The Bye-laws permit this requirement to be disapplied and the purpose of this resolution is to authorise the Board to issue Common Shares as if such provisions did not apply in certain circumstances, when the Board considers that to do so would be in the best interests of the Company. The Board notes that the amount of the pre-emption disapplication for which authority is requested is above the 5% level which is considered routine by UK investor groups. However, in line with the principles published by the UK Pre-emption Group, which are supported by UK investor groups, the Board requests Shareholders to consider the specific business case, including rating agency and regulatory capital requirements applicable to insurance companies, for authorising the larger disapplication so that the Company will have the ability quickly to issue this larger number of Common Shares should the need for additional capital arise. The Board considers that it is in the best interests of the Company to be able to raise additional capital by non pre-emptive share issues in order to maintain its A.M. Best rating following large loss events. In addition, the cyclical nature of the insurance market and the impact of loss events on pricing and capacity means the Company should position itself to be able to take advantage of underwriting opportunities when they present themselves, for instance following large industry losses. The Board notes that the Company writes a diverse portfolio of insurance business and it is therefore appropriate for the Company to position itself to be able quickly to take advantage of market opportunities or react to loss events throughout the year and not just during the hurricane season. If the Company requires additional capital the Board will consider alternative financing methods to determine the most appropriate means of raising capital before carrying out a non pre-emptive issue of shares. The Board has no immediate intention to use this authority, however, if, as anticipated, current capital levels are reduced in the short-term by returns to Shareholders, the Board considers that it is important to provide the Company with immediate access to a full range of financing options both from a risk management perspective and to reinforce the Company's strategy of managing capital actively and prudently. In addition, in accordance with best practice and the advice of UK investor groups, the Board does not intend to issue any Common Shares pursuant to this authority at a discount of greater than 5% of the market price at the time of this issue. The Board has no current intention of exercising this authority but considers it desirable due to the flexibility it will afford. Unless otherwise renewed or revoked by the Shareholders in a general meeting this authority will expire at the conclusion of the AGM of the Company in 2011 or, if earlier, 15 months from the date the relevant resolution is passed.

5. Resolution to authorise the Company to purchase its own shares (Resolution 11)

The Board is seeking Shareholders' approval to renew the authority granted to the Company by the Shareholders at the Special General Meeting held on 16 December 2009. Pursuant to such authority, the Company is generally and unconditionally authorised to make one or more market purchases of the issued Common Shares of the Company up to an aggregate nominal value of \$9,125,153, an amount equal to approximately 10 per cent of the issued Common Share capital of the Company as at the date of this document, at a price of not less than the nominal value of the Common Shares (exclusive of expenses payable by the Company). The maximum price per Common Share (exclusive of expenses payable by the Company) that may be paid under the authority shall not exceed the higher of (i) 5% above the average of the closing middle market quotations of the Company's Common Shares derived from the London Stock Exchange Daily Official List for the 5 business days before the purchase is made and (ii) an amount equal to the higher of the price of the last independent trade and the highest current independent bid for the Common Shares on the London Stock Exchange at the time of purchase. Purchases may otherwise be made in such manner and on such terms as the Board or any authorised committee may from time to time determine. Purchases would only be made if the effect would be expected to improve earnings per share and the Board considers that it would be in the best interests of the Company to do so. Pursuant to the Bye-laws of the Company, no purchase can be made if the Board determines that it would result in a non-*de minimis* adverse tax, legal or regulatory consequence to the Company, any of its subsidiaries or any holder of shares or its affiliates.

The Company cannot by law (in respect of the par value of the shares to be purchased) purchase its own shares except out of:

- (a) the capital paid up thereon; or
- (b) the funds of the Company which would otherwise be available for dividend payment or distribution; or
- (c) the proceeds of a fresh issue of shares made for the purpose of the repurchase, and

the premium if any payable on the repurchase is provided out of the funds of the Company which would otherwise be available for dividend payment or distribution or out of the Company's share premium account before the repurchase date.

Unless otherwise renewed or revoked by the Shareholders in a general meeting this authority will expire on the conclusion of the AGM of the Company in 2011 or, if earlier, 15 months from the date the relevant resolution is passed.

This resolution complies with the current guidance issued by the Association of British Insurers ("ABI") and the Board will have regard to any guidance issued by the ABI which may be published at the time of any such purchase of issued Common Shares of the Company.

6. Business of the Company's Subsidiaries (Resolutions 12 (i) to (ix) and 13(i) to (vii))

In accordance with Bye-law 45 of the Company's Bye-laws, if the Company is entitled to vote at a general meeting of its non-US subsidiaries, the Directors are obliged to refer the subject matter of the vote to the Shareholders to seek authority from them (via a poll vote in a general meeting of the Shareholders) as to how the Company should vote on the resolution proposed by such non-US subsidiary.

Lancashire Insurance Company Limited ("LICL"), the Company's Bermuda subsidiary, is seeking the approval of the Company in its capacity as its sole shareholder: to receive audited financial statements for the year ended 31 December 2009; to appoint auditors for the 2010 financial year; to confirm the number of Directors of LICL as ten; and to re-appoint its Directors, Simon Burton, Jens Juul, Colin Alexander, Elaine Whelan, Charles Mathias and Sylvain Perrier **(Resolutions 12 (i) to (ix))**.

Lancashire Marketing Services (Middle East) Limited ("LMEL"), the Company's Dubai subsidiary, is seeking the approval of the Company in its capacity as its sole shareholder: to receive and if thought fit approve the audited financial statements together with a copy of the auditor's report for the year ended 31 December 2009; to appoint auditors from the conclusion of the Company's 2010 Annual General Meeting to the conclusion of the 2011 Annual General Meeting; to authorise the board of Directors to fix the auditors' remuneration; to accept resignations from its Directors John Melcon and Paul Gregory and then re-appoint John Melcon and Paul Gregory as Directors of LMEL. **(Resolutions 13 (i) to (vii))**.
