

Junior Modelling Analyst

Bermuda

3 month Fixed Term Contract

The Role

The purpose of this role is to assist the modelling team with pricing and accumulation of risks and execution of ad-hoc projects from October 2019 to end of December 2019.

Specific Responsibilities

- Process and analyse risk information presented within submissions including data quality analysis
- Demonstrate knowledge on multiple software packages (RMS and AIR), both in terms of software usage and database administration
- Work closely with the underwriters to provide findings from output
- Use SQL queries to retrieve and update modelling information as required
- Additional project and ad-hoc work such as research or system/process development

Skills & Experience

- A minimum of 2 years relevant industry experience, with significant experience working in a similar role
- Familiar with database administration with various versions of SQL Server, including conversion of databases across different versions
- Knowledge in RMS RiskLink is essential and should be knowledgeable in RMS EDM and RDM database schema
- Significant experience in handling, manipulating and analysing large data sets, as well as an ability to exhibit data in a variety of formats for different purposes/audiences (e.g. Reports, Presentations, Data Sheets, etc.).
- Strong knowledge and understanding of catastrophe insurance, loss modelling, aggregation and natural hazards, primarily within Property classes.
- A very high level of computer literacy, with expert knowledge of Microsoft Word, Excel, Access and SQL programming.
- Excellent communication skills (both written and oral), as the role involves interaction with underwriting staff, external clients and Senior Management on a daily basis. Competency in producing and conducting formal presentations also required.

How to Apply

Please e-mail your CV and a covering letter including your salary expectations, notice period and availability to interview to HR-Bermuda@lancashiregroup.com or apply on www.BermudaJobBoard.bm

Closing Date: 14 August 2019
