

Junior Modeller

London

Perm, Full Time

Start Date: ASAP

Purpose

The primary purpose of the role is to work within the Modelling Team to model Terrorism risk and Nat Cat Risk, execute ad-hoc projects, to understand and use current in-house tools, and to report global exposures across all lines of business to the Underwriters and facilitate technical pricing and loss estimation. The ideal candidate will have some basic knowledge of the catastrophe insurance market and of natural and/or man-made catastrophe risk. Main tasks will include data management, analysing the effect of new accounts on existing major concentrations of risk and running account contribution analyses and pricing reports and providing output to underwriters and dealing with queries.

Specific Responsibilities

- Process and analyse natural catastrophe risk information presented and carry out risk analysis of submissions including data quality analysis
- Work closely with the underwriters to provide findings from output
- Adding value to the underwriting process by providing insights into the modelled output and reliability of the results
- Ensure complete information is maintained in the internal system provide support for the design and testing of new tools
- Assist in shaping analytical capabilities (hardware and software, using in-house software and model development)
- Use SQL queries to retrieve and update modelling information as required
- Additional project and ad-hoc work such as research or system/process development

Essential Skills & Knowledge

- Educated to A Level or degree level
- Ability to maintain excellent attention to detail whilst working with high volumes of data
- Strong knowledge of Microsoft Excel (Access, SQL and VBA an advantage)
- Ideally some knowledge of the insurance Market or Catastrophe Modelling
- Excellent analytical, organisational and communication skills
- Must be able to work independently in a team-orientated environment
- Ability to build effective relationships and meet tight deadlines
- Ability to work flexibly to meet business needs including working extended hours.
