

ROLE DESCRIPTION

Job title	Exposure Management Analyst	Role Holder:	TBC
Reporting Lines:	Exposure Management Manager	Location:	Lancashire Syndicates Limited: London, UK

1. Purpose

The role will involve the use of catastrophe models and aggregation tools in order to pre-risk the account and manage a portfolio of exposures. The role involves working in the portfolio management of the Terrorism class of business and offers the successful candidate an incredible opportunity to learn a broad base of skills within the Exposure Management function.

2. Specific Responsibilities:

- Assisting with the management of a portfolio of risks, which will include frequent liaison with underwriting units for data requirements, clarification and understanding, and will involve the manipulation and entry of data into the licensed modelling software (AIR).
- A focus on the pre-risk analysis to determine the impact of new policies against the existing portfolio, involving the running of accumulation analysis within AIR.
- Assisting the team with reconciliation tasks ahead of monthly portfolio reporting, to ensure accuracy of data captured within AIR.
- Frequent liaison with underwriters, and other colleagues, as required to perform daily tasks.
- Assisting other team members in the preparation of monthly reports, or other submissions, as required.
- Involvement in any ad-hoc tasks or projects, as required by the EM or UW teams.

3. Essential Skills & Requirements

- A good level of numeracy, with the ability to analyse large data sets.
- A good level of computer literacy, with knowledge and experience of Microsoft Excel. Any experience with SQL is desirable but not essential.
- An ability to manage time and work demands, and adhere to deadlines.
- A willingness to work in a team (as well as able to work under own initiative) and get involved in a wide variety of tasks as and when required.
- An interest in the insurance market including the Lloyds market.
- A willingness to learn through formal qualifications and attending seminars as deemed necessary.
- Good communications skills are required for interactions with multiple stakeholders
